ABOUT THE INSTITUTION

College of Engineering, Adoor is located in the District of Pathanamthitta in the state of Kerala. The College of Engineering, Adoor was established by Government of Kerala in 1994 under the aegis of Institute of Human Resource Development (IHRD), a Government of Kerala undertaking. The college offers UG level programmes in Computer Science & Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering and Mechanical Engineering and a PG programme in Thermal Engineering. College of Engineering Adoor is one among the 19 Engineering colleges in Kerala selected for the second phase of Technical Education Quality Improvement Programme (TEQIP-II) of Government of India, a World Bank funded Project.

HOW TO REACH

College of Engineering, Adoor is located at Manakkala, 4 km away from Adoor town on the side lines of Adoor-Bharanikavu road.

Research Colloquium on

“Recent Advances in Mechanical Engineering”

22-24 March, 2017

Sponsored by

TEQIP-II

Co-ordinators

Dr. Jose Mathew

Binulal B R

Organized by

DEPARTMENT OF MECHANICAL ENGINEERING
COLLEGE OF ENGINEERING ADOOR
(Managed By IHRD, A Govt. of Kerala Undertaking)
Manakkala P.O, Adoor, 691 551, Kerala

TEQIP

Date: Signature of Sponsoring
Authority

ABOUT THE COLLOQUIUM

The objective of this colloquium is to provide a platform for interaction and knowledge exchange between eminent researchers, faculty, research scholars, post graduate students and engineers working in various areas of mechanical engineering like advanced materials, computational techniques, design and mechatronics. This programme will give an opportunity to the young researchers to present their research, discuss and share it among the distinguished experts and fellow participants. The programme also aims to give an exposure to the trends, issues and challenges in these areas and to orient young researchers to take up effective research in these fields.

THEMES

- Nanomaterial
- Energy storage materials
- Characterisation
- Computational Fluid Dynamics
- Finite Element Methods
- Robotics and automation
- Rapid prototyping
- Biofuels & Renewable energy
- Industrial Safety

RESOURCE PERSONS

The various sessions of the Colloquium will be handled by eminent resource persons from the premier national institutions and industries.

WHO CAN APPLY

The programme is indented for Faculty members, Research scholars, and Post graduate students in Mechanical engineering and allied disciplines.

REGISTRATION FEE

A registration fee of Rs 2000 is applicable to the faculty from TEQIP sponsored institutions. For faculty from other institutions an amount of Rs 500 is required to be paid as registration fee. No registration fee for post graduate students and research scholars

HOW TO APPLY

The application in the prescribed format complete in all respects, duly forwarded by the concerned authorities, should reach the Co-ordinator on or before 15-03-2017. However, an advance copy of the application may be sent through email josemathew@cea.ac.in to the coordinators.

TA/DA & ACCOMODATION

NO TA/DA will be provided. Accommodation can be arranged for the participation at their own cost, if informed in advance.

ORGANISING COMMITTEE

Chief Patron

Dr. Jayasree V K,
Principal

Patron

Dr.Sunikumar K
HOD ME Dept.

Co-ordinators

Dr Jose Mathew (9447870068)

Binulal B R (9447256944)

Important Dates

Last date for receiving the applications:

15-03-2017

Date of intimation of selection:

18-03-2017
