Salient Features

- * 25 years of academic excellence
- * State of the art laboratories
- * Active Career Guidance and Placement Cell with excellent placements
- * Skill development centre of Govt. of Kerala
- * Active Technical and social clubs such as IEEE, SAE, NSS with international visibility
- * Mentoring and guidance by distinguished alumni
- * 139kW solar power harvesting project
- * Fee concession and scholarship as per Govt. norms
- * Excellent arts and sports facilities including gym
- * Green and serene campus

PROGRAMS	INTAKE
Electronics & Communication Engineering	60
Mechanical Engineering	60
Electrical & Electronics Engineering	60
Computer Science & Engineering	120
Computer Science & Engineering (Data Science)	60

PROUD MOMENT

We are providing a platform to perform and test their mettle, giving them a pragmatic exposure to real world challenges as faced in the industry.

The college has an excellent infrastructure facilities to turn the students as the future technocrats, entrepreneurs, designers, innovators and leaders.

SAEINDIA

What is SAEINDIA?

Engineering profession by focusing on three trends occurring in the automotive industry today that affect all automotive engineers and engineering societies. The founding principle of the SAE International is to unite scientific and technical staff to perform free academic discussions, to dedicate themselves to the cause of prospering the science and technology for automotive vehicles and to make contributions to speed up the modernization of automotive industry. This organization is headed by Dr. S. Aravind Bharadwaj, who is currently heading Technology, Auto & Farm Sectors, Mahindra & Mahindra Ltd. at Chennai. And the slogan of SAEINDIA is "The Engineering Society for Advancing Mobility in Land Air and Space"

SUPRA EVENT

"Design it. Build it. Race it."

SUPRA is an event that challenges young minds to compete as teams in designing a Formula category vehicle, there is no other event like this in the country. To develop a vehicle consisting of various sub systems, meeting engineering specifications, timelines and above all meeting safety standards is a challenge not for the faint hearted. And then making the rubber hit the road at a premium race track under gazing eyes of experienced technical experts and other enthusiasts is a thrill not just for the participants, but for the mobility community at large. An exciting competition which presents the Engineering Students with a challenging task of designing, simulating and modeling a formula type race car. Each team designs and fabricates a prototype based on the strict guidelines provided to them and the car should perform in a dynamic event in a live race track. SUPRA 2016 is going to be held in Buddh International Circuit (Noida, U.P), which is the only Formula 1 race track in the country. The event is sponsored by MARUTI SUZUKI, being the title sponsor, co-sponsored by ANSYS, ARAI (Automotive Research Association of India), Canara bank, Bharat Petroleum, Continental tyres etc.

SUPRA SAEINDIA An Elemental Evolution...

OUR PAST HISTORY

We, team Drutha, have been participating in this auspicious competition for the past 6 years continuously. Team Drutha is the only team, from Kerala which has been able to make its mark on Buddh International Circuit. Even though we came only in the top 20s we were the only team that were shortlisted for the race.

OUR RECRUITERS

AND STILL COUNTING ...

The Career Guidance and Placement Unit (CGPU) of College of Engineering, Adoor is always aiming and working towards providing the best of the training and exposure to the students so that they are well prepared for their forthcoming

National Conference on Research Innovations in Thermal and Mechanical Engineering

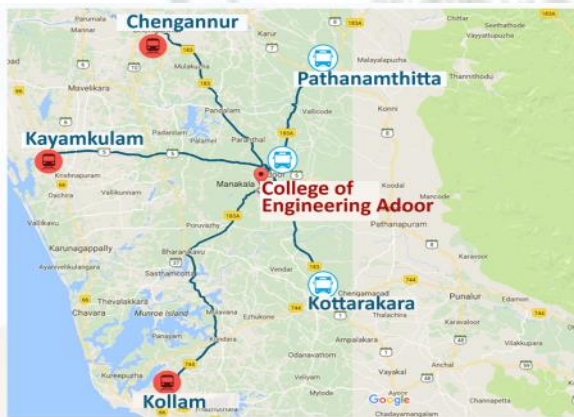

Career Guidance and Placement Unit (CGPU)

The placement office handles all aspects of campus placements for the graduating students at CEA and is well equipped with excellent infrastructure to support every stage of placement process. Arrangement for pre-placement talks, interviews, group discussions etc. are being held regularly. Auditoriums to conduct pre-placements talks, well furnished rooms for interviews, fully computerized office, video conferencing are some of the facilities available. The placement policies and related activities are guided by the Professor In charge/Placement Officer and Student Representatives. CEA remains top in the list of most sought - after colleges among recruiters.
