COLLEGE OF ENGINEERING ADOOR

(Owned by Govt. of Kerala & Managed by IHRD TVM)
Manakala P O, Adoor Pathanathitta, Kerala-691551
Ph-04734 231995

www.ktu.edu.in

Vision

"Develop into a premier institution, creating socially committed and globally competent engineering professionals."

For admission queries

9446527757, 9447084806, 854705100

Email:- admissions@cea.ac.in

Mission

To provide quality education and foster research and development in the field of engineering.

To encourage innovation and entrepreneurship for the betterment of society.

To develop professional and leadership skills and encourage lifelong learning.

Merit & Management seats are filled by entrance commissioner based on rank and option.
NRI seats are filled by College

**College
Code :
ADR**

Salient Features

- * 25 years of academic excellence
- * State of the art laboratories
- * Active Career Guidance and Placement Cell with excellent placements
- * Skill development centre of Govt. of Kerala
- * Active Technical and social clubs such as IEEE, SAE, NSS with international visibility
- * Mentoring and guidance by distinguished alumni
- * 139kW solar power harvesting project
- * Fee concession and scholarship as per Govt. norms
- * Excellent arts and sports facilities including gym
- * Green and serene campus

UNDERGRADUATE (B.TECH) COURSES

PROGRAMS	INTAKE
Electronics & Communication Engineering	60
Mechanical Engineering	120
Electrical & Electronics Engineering	60
Computer Science & Engineering	60

PROUD MOMENT

We are providing a platform to perform and test their mettle, giving them a pragmatic exposure to real world challenges as faced in the industry.

The college has an excellent Infrastructure facilities to turn the students as the future technocrats, entrepreneurs, designers, innovators and leaders.

SAEINDIA

What is SAEINDIA?
Engineering profession by focusing on threetrends occurring in the automotive industry today that affect all automotiveengineers and engineering societies. The founding principle of the SAEInternational is to unite scientific and technical staff to perform free academic discussions, to dedicate themselves to the cause of prospering the science and technology for automotive vehiclesand to make contributions to speed up the modernization of automotive industry. This organisation is headed by Dr.S.Aravind Bharadwaj, who is currently heading Technology, Auto & Farm Sectors, Mahindra & Mahindra Ltd. at Chennai. And the slogan of SAEINDIA is "The Engineering Society for Advancing Mobility in Land Air and Space"

SUPRA EVENT
"Design it. Build it. Race it."

SUPRA is an event that challenges young minds to compete as teams in designing a Formula category vehicle, there is no other event like this in the country. To develop avehicle consisting of various sub systems, meeting engineering specifications, timelines and above all meeting safety standards is a challenge not for the faint hearted. And then making the rubber hit the road at a premium race track under gazing eyes of experienced technical experts and other enthusiasts is a thrill not just for the participants, but for the mobility community at large. An exciting competition which presents the Engineering Students with a challenging task of designing, simulatingand modeling a formula tyerace car. Each team designs and fabricates a prototype based on the strict guidelines provided to them and the car should perform in a dynamic event in a live race track.

SUPRA 2016 is going to be held in Buddh International Circuit (Noida, U.P), which is the only Formula 1 race track in the country. The event is sponsored by MARUTI SUZUKI, being the title sponsor, co- sponsored by ANSYS, ARAI (Automotive Research Association of India), Canara bank, Bharat Petroleum, Continental tyres etc.

OUR PAST HISTORY

We, team Drutha, have been participating in this auspicious competition for the past 6 years continuously. Team Drutha is the only team, from Kerala which has been able to make its mark on Buddh International Circuit. Even though we came only in the top 20s we were the only team that were shortlisted for the race.

TEAM DRUTHA READY TO RACE....

Wipro

NU CHANCE

QUEST GLOBAL

SOTI

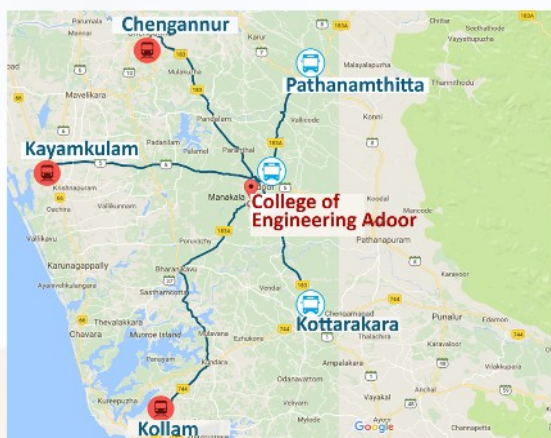

Career Guidance and Placement Unit (CGPU)

The placement office handles all aspects of campus placements for the graduating students at CEA and is well equipped with excellent infrastructure to support every stage of placement process. Arrangement for pre-placement talks, interviews, group discussions etc. are being held regularly. Auditoriums to conduct pre-placements talks, well furnished rooms for interviews, fully computerized office, video conferencing are some of the facilities available. The placement policies and related activities are guided by the Professor In charge/Placement Officer and Student Representatives. CEA remains top in the list of most sought - after colleges among recruiters.

How to reach our college?

Chengannur - Adoor - Manakala (28.3km)
 Kayamkulam - Adoor - Manakala (29.2km)
 Kollam - Manakala (37.2km)
 Pathanamthitta - Adoor - Manakala (20.2km)
